Aerodrome Information Leaflets (ADIL) are issued by the QCAA for purposes of promulgating supplementary guidance materials to requirements of the Qatar Civil Aviation Regulations – Aerodromes (QCAR-ADR). They are not in themselves law but may amplify a provision of the Regulations. They are intended to provide practical guidance to illustrate acceptable means, but not necessarily the only means, of complying with a requirement contained in the QCAR-ADR. Aerodrome Information Leaflets may explain certain regulatory requirements by providing interpretive and explanatory
